
DANNY WILSON

Mathematics Educator

Dear Chair of the Math Department,

I am writing to express my interest in your high school's 9th-grade teaching position. With six years of teaching experience, I am confident in my ability to create a positive and engaging learning environment for students recently entering high school.

My teaching approach combines innovative instructional techniques with a focus on personalized learning. I strive to create challenging and enjoyable lessons, allowing students to develop critical thinking skills while maintaining their enthusiasm for learning. Additionally, I am experienced in integrating technology into the classroom to enhance student engagement and facilitate a more interactive learning experience.

I am excited about the opportunity to contribute to your high school's mission of providing a quality Catholic education to all students. I am confident that my dedication, experience, and passion for teaching make me a strong candidate for this position.

Thank you for reviewing my qualifications. You can contact me to arrange an interview at 404-803-7330 or Wilson.Danny@me.com. I look forward to hearing from you.

Sincerely,

DANNY WILSON

About Me

A seasoned professional with a decorated military background and a proven track record in education and community leadership. Known for strategic planning, team leadership, and effective communication cultivated over two decades. Skilled in creating inclusive learning environments, fostering student growth, and adapting to diverse educational needs. Committed to leveraging my experience to inspire and empower students in every classroom.

Experience

Drew Charter School - 2023-2024

Algebra + Math 8 Teacher

As a dedicated math teacher at Drew Charter School, I instructed Algebra for high school credit, employing innovative project-based learning methods. Collaborating with the YMCA, I developed and led initiatives promoting health and community awareness. Additionally, I provided specialized education services, including 1-on-1 support and implementation of 504 and IEP plans. Demonstrating strong leadership, I orchestrated various school events and engaging field trips to enrich student experiences.

Grace Midtown - 2018-2021

Director of Community Engagement / Local Missions

As an educator, I adeptly cultivated relationships with corporate sponsors, managed seasonal staff, and pioneered cultural affinity spaces. I orchestrated large-scale events, led relief campaigns, and nurtured strategic partnerships, benefiting over 900 subscribers and aiding at-risk families during the pandemic in English Avenue.

Crawford Long Middle School - 2009-2014

7th Grade + 8th Grade Math Teacher

Recognized as a Model Teacher by Atlanta Public Schools, I ranked in the top 5% of educators in 2011. Achieved outstanding results, increasing math performance by 28% annually on state assessments. Pioneered innovative curriculum and partnerships, fostering a dynamic learning environment at Long Middle School. Spearheaded after-school tutorials and collaborative initiatives with universities and community organizations, addressing academic deficiencies and engaging students. Additionally, I led the development of an award-winning garden project, promoting health and community involvement.

Education

2001

South Carolina State
University

Computer Science and Mathematics

Studied Computer Science and Mathematics
Engaged in student tutoring, internships, and
NSBE involvement, enhancing technical skills
and leadership abilities.
