RELATED EXPERIENCE

Grace Midtown Church | Atlanta, GA

July 2018 — July 2021

Director of Local Missions and Community Engagement

Pioneered and established the Local Missions and Community Engagement department at Grace Midtown Church. Formed, led, and coordinated all missional programs and initiatives to resource the English Avenue neighborhood and the city of Atlanta.

Determined annual rhythms and vehicles for sustainable cultural development

Equipped, managed, and empowered 24 facilitators, 16 coordinators, and 12 organizers to advocate for the voiceless
Trained, organized, and facilitated best-in-class experiential forums totaling 200 students over six years, leading to local community engagement

Conceptualized, developed, and established cutting-edge community integration spaces tailored toward healing racial and social inequity in local neighborhoods and communities

Advised and influenced the vision, strategy, and language of the Grace Midtown Committee for Racial Solidarity

Managed and balanced the third-largest budget of more than \$100,000+ (5% of the annual giving), receiving 'better than expected' ratings in this category annually

Served and counseled on the financial support board for international partnerships approving up to \$100,000 (or 5% of annual budget)

Performed cost savings analysis through critical metrics including the productivity of assets, content yields, and participation reducing overhead expenses by 30%

Crafted and executed marketing strategies, including campaigns raising upwards of \$40,000+, benefiting those exiting poverty and joblessness in westside Atlanta

RELATED EXPERIENCE

cont...

Recruited, enriched, and managed relationships with corporate donors and sponsors

Coached and managed eight seasonal direct reports and interns

Envisioned and curated cultural affinity spaces for Black/African American and AAPI communities

Designed and executed several extensive group tours, educational workshops, social events, and grassroots neighborhood initiatives hosting crowds of 100+ attendees

Curated weekly/monthly published newsletters generating an audience of 900+ subscribers

Organized COVID-19 Pandemic relief campaigns and distribution of \$12,000 in donations to deliver groceries/hygienic supplies and assist with utility bills for at-risk individuals and families in English Avenue

Developed and maintained strategic relationships with legacy residents of English Avenue and over 20 local organizers, schools, and organizations in the neighborhood

ADDITIONAL EXPERIENCE

***Algebra and Applied Mathematics Teacher | Atlanta Public Schools | Atlanta, Georgia
July 2009—July 2014***

Selected to be a Model Teacher by Atlanta Public Schools for Georgia State Universities Teacher Residency program for being in the top 5% of teachers in 2011

Increased math performance results by an average of 28% each year following state-approved Criterion-Referenced Competency Test

Developed innovative curriculum and lesson plans to elicit excitement towards learning and facilitated an energetic and engaging atmosphere at Long Middle School

Organized and maintained the after-school tutorial program, partnering with Clark-Atlanta University and AfterSchool Allstars targeting 7th-grade deficiencies

Developed an award-winning fresh fruits and herb garden for students, families, and neighbors in southwest Atlanta in partnership with local science departments

Designed a research proposal, "Creating a Desire to Learn," focused on stimulating the intrinsic value of education in urban environments and parental involvement in the educative process, partnering with the College of Education, Georgia State University.
